About

DR. PRADEEP KUMAR
M.B.B.S., M.D.

Bariatric Physician Weight Management & Ant aging Specialist

Its people's content, confident & self-assured face what motivates Dr. Pradeep Kumar to work harder and continue serving the society. He believes that a confident & healthy person can contribute to the society in a better way and can help develop the nation. Raising his concern over the ever increasing rate of obesity, he quips that obese people are not only living with a deadly health syndrome but also treated as an object of laughing-stock in the society.

Few years ago before he came up with ALFA, he himself was 90 Kg- bulging waist and hip lines. Acidity, migraine, hypertension, body aches became a part of his life too. Anger took a toll on his body. Selfconsciousness further worsened the situation. In order to restore his life, Dr Pradeep Kumar tried several pills, religious diet, sweat out for hours in gym but alas! All failed.

At last, he made up his mind and started his quest to find a perfect solution to cure obesity in the most natural way. For quite a few years he did meticulous research on causes of obesity, its symptoms, other associated ailments and most important its SOLUTION. During his course of research, Dr. Pradeep Kumar found some very useful & miraculous medical herbs that can boost metabolism and help body burn fat more efficiently and quickly. For months, he tried those magical herbs on him, resultant, he lost 20-kilograms in mere 4 months.

With such an incredible result, Dr. Pradeep decided to help people suffering due to various medical conditions like Thyroid, Diabetes type II, PCOD which primarily happens due to obesity. The noble vision ensued into the establishment of ALFA Wellness in 2009.
